August 1, 2016

On behalf of the South Charleston Rotary Club, we would like to invite you and or your organization to join us in our Back Pack Buddy program with Richmond Elementary School.

This initiative is one of our clubs most exciting partnerships of service to our community. We are striving to provide 50 students with weekend meals during this school year, which starts this week. Our club has started this process by securing the “start up” items that were needed and a month’s worth of food to feed these 50 students already! We are looking for community support in order to sustain this project for the entire school year.

It costs approximately \$5 - \$6 dollars per child to supply them with three meals and a snack for the two days they are off from school during the weekend. This is a void that we desperately need to fill for these children in our community.

So we are seeking some community heroes that will step up and support our efforts with this awesome project. We are looking for donations of \$250.00 that will supply food for a weekend during this school year. If you or your organization would like to sponsor a weekend, your support would be greatly appreciated.

Please make your check payable to the Rotary Club of South Charleston and in the memo please designate that it is for our Backpack Buddy Program.

If you have any questions, please feel free to contact Kathleen Walker of the South Charleston Rotary by email: kwalkwv@gmail.com or phone: 304-550-7216.

Service above self!

The mission of **Rotary** International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.
