Proceeds from the golf tournament support the Rotary Club of South Charleston's community projects throughout the year. One of our club's most extensive community service projects is an ongoing Backpack Buddy program at Richmond Elementary School, where we provide weekend meals and snacks to students, who would otherwise go hungry. Some other local community service projects we have supported are the South Charleston High School Closet, Heart and Hand Food Pantry and Outreach Ministries, the Gabriel Project of Metro Valley, Pollen8, South Charleston Library, and the South Charleston High School Scholarship Fund.
